## Caving Club

### 5th August Meeting 1995.

This months meeting was a very short one with a small turn out. Apologies were sent by Richard and Lyn and Phil.

We now have a total membership of 19 members due to the re-joining of Pete Shaw after a spell of caving absence.

The main item on the agenda was the camping weekend 19 & 20th August. The arrangements are that we are camping at Tan Hill

campsite which costs £1 per person per night which has the basic necessities and a pub. Saturday 19th everyone participating is to meet at 10.00 am in Reeth Square upon the arrival of everyone there will be a choice of things to do either go to the new cave near Bowes or go to one of the near by caves such as Crack Pot, Sleets Gill or the Buttertubs. Sunday 20th events are to be decided by those people participating with the possibility of another trip down the cave near Bowes as permission has been arranged to descend it on both days.

Can I have back the form sent out with the last minutes to update the clubs records of as at present few have been returned.

### Forthcoming Events.
