

# Scarborough

# Caving Club

4th May Meeting 1996.

Members Present 7

This month there was very little to report.

The club has finally begun to raise a bit of capital which now means that some of the new rope lengths can be bought. £35 was raised through the sale of the clubs retired ropes ; £10 was donated to the club for Jerry and Nial talking for an hour at the Emanuel St. Johns Church and £18 was raised through the raffling of a mixed grill in the pub on the night of the meeting.

The Crack Pot Cave trip which occurred on the 4th of May was well attended and proved to be a good trip enjoyed by all who took part.

Kirkdale Quarry Cave has progressed enormously since last month with a break through into some passage and caverns which contain some impressive formations. The cave has been considerably increased in size and is now rewarding the efforts put in by those digging it, and it still has a vast potential.

The darts and pool night at The Buck in Wrelton is still on the agenda and is most probably going to be on a Friday night when a date have been confirmed notice will be given.

The club still has a selection of T-shirts and sweatshirts at reasonable prices if anyone is requiring any: T-shirts are £5.50 ; Sweatshirts are £10 ; Buy the both and save 50p.

It is now time to start thinking about permit trips for 1997 please fill in the attached form with your requests on and return them to me (Mark) as soon as possible, make sure to include your name and your preference of Saturday or Sunday caving for each cave.
